

ARSA 2020

VOTE HÉLÈNE CRINQUANT

Select by
ASSACT SG

ASSACT SG, the sole association of employee shareholders and former employees of the SG group, has set up a nomination committee to find its candidate. Its Board unanimously approved my candidacy, alongside **Hugues Bernamonti, as a substitute.**

A relevant
experience

Three regulators including the European Central Bank (ECB) have validated my profile for as Board Member and as Deputy CEO of a bank. Working in the sector for almost thirty years, I have a good knowledge of the different areas of expertise and an international vision.

Independence
of mind

Everyone that knows me can confirm, whomever the person in front of me, I always promote my point of view, with assertiveness and respect, when I deem it is fair, relevant and aligned with our values. This ability will be extremely valuable in the context of this mandate.

Time for diversity

Sustainable development, diversity, every one favors them ! But where are the acts ? Voting for my candidacy makes the difference, because I am the only woman, moreover living outside France, presented as your representative among the favorites of the election.

The commitment
to keep the link

An election and after? With the help of ASSACT SG, with its power and long experience on employee share ownership issues, I am committed to listening to your suggestions about the Group and to maintaining the link with you during my four years mandate.

VOTE CRINQUANT FROM 28 SEPTEMBRE TO 9 OCTOBRE

Hélène Crinquant,
General Secretary
SG Luxembourg
